MEMORANDUM FOR: Director of Public Affairs  
FROM: Director of Central Intelligence  
SUBJECT: Trip to Principia College and St. Louis

I really would like to do this one and also with it something in St. Louis and possibly south of St. Louis in [redacted] district. What I have in mind at St. Louis, though, is a group of businessmen more than a big public speech. [redacted] can clue us in as to how to set that up when the time comes.
